

Health and Safety Training Course

This interactive and comprehensive half day course has been designed to assist employers in meeting their legal obligations under **the Health and Safety at Work Etc. Act 1974**. The course provides the necessary knowledge to enable managers, supervisors and other personnel to understand legal requirements and to improve existing health and safety knowledge and arrangements.

The course syllabus includes the following topics:

- Health and Safety at Work Etc. Act 1974
- Risk Assessment
- Accidents and First Aid
- Fire Safety
- Hazardous Substances
- Manual Handling
- Display Screen equipment
- Other relevant legislation
- Open forum

Course Duration: ½ day approximately.

Location: Training can be conducted at your premises at a time and date to meet your needs. Regular public courses are run on our own premises.
