1. Print this sheet out, cut and fold where shown, fold to prevent information being visible.
2. Fill in your emergency contact details and medical information.
3. Insert into your tax disc holder.
4. Ensure the emergency contact knows their details have been entered on this form.
5. It may be helpful to use the additional circle below to provide details of an alternative next of kin if, for example, your immediate next of kin is often a passenger in your car.

***Access to medical and emergency contact / next of kin details could be critical at the scene of an accident, or in the event of a medical emergency.***
